### **ITEM 1 Welcome**

President Vladimir Lisin welcomed all members of the ISSF Administrative Council to the first meeting of the newly elected ISSF Administrative Council II, where the members of the ISSF Section Committees but also the members to the Executive Committee will be elected. President Lisin also welcomed the newly elected members and informed all members that it is expected to finish before lunch. Further Mr. Ratner informed the members that simultaneous translation is available and the channels are English 1, Spanish 2, French 3, German 4 and Russian 5.

### **ITEM 2 Roll-Call**

Mr. Alexander Ratner, newly elected ISSF Secretary General called all members of the council and it was noted that the following three members were not participating:

Rafael Guerra Mollinedo who only had a visa until December 1 and therefore had to leave.

Egbert IJzerman also had to leave the day before the council meeting.

Ali Mohammed Al Kuwari who excused himself but informed that there will be a representative of the Asian Shooting Confederation participating. However, Mr. Ratner stated that nobody arrived and Asia is not represented therefore.

As Honorary members Mr. Derek Ivy and Mr. Mohamed Wahdan are represented.

Mr. Ratner summarized that the Administrative Council was represented by 32 members with voting write.

### **ITEM 3 Election of Scrutinizers**

Before the scrutinizers are elected the Secretary General Mr. Ratner asked if the council agrees to the electronic voting system used in the General Assembly. All council member agreed unanimously with no vote against and no abstention.

Further Mr. Ratner asked which majority should be used to decide the elections today regarding the members of the committees. The Council decided unanimously to use a relative majority which means that those persons are elected which receive the most votes within the council.

Mr. Ratner asked about the number of scrutinizers and it was unanimously decided to nominate Kimberly Rhode as Chairman and Mr. Derek Ivy as scrutinizers.

The Council further decided that the candidates with the most votes are elected according to the ranking. For all committee election if no female candidate is within the elected persons, the female candidate with the most votes of all female candidates will be elected instead of the last elected male candidate. In the Technical Committee for example the top 4 male candidates will be elected and as fifth candidate a female candidate will be elected.

**ITEM 4 Elections of 5 Members from the Administrative Council to serve on the Executive Committee for the period of 4 years**

Mr. Ratner informed the council that the General Assembly elected 15 members of the Council from 4 Continents. Mr. Ratner proposed that each Continent should be represented and second to have a completely new Executive Committee which means that no member elected should have been a member of the Executive Committee in the previous term. If the council agreed to this procedure the following members to be elected are Mrs. Catherin Fettel – AUS for Oceania, Mr. Rafael Guerra Mollinedo – CUB for America, Mr. Dal-gon Lee – KOR for Asia, Mr. György Nagy – HUN for Europe and since no Council member for Africa had been elected as fifth member Mr. Pekka Kuusisto – FIN.

Mr. Davidovich asked that the council should be able to elect 5 members from all possible candidates. This proposal was accepted and the electronic voting procedure was explained by the technicians and a test vote was conducted.

As no member had any questions, the vote was taken and the members were asked to choose 5 persons to be elected as member of the Executive Committee from the following list:
