The Chairmen of the respective committee had the possibility to send the names of their preferred candidates to the ISSF HQ. The list will be read out before the respective committee members are elected. Those names are just a recommendation, but not binding.

8. Election of the Committee Members

Dr Paul Fischer took the floor to provide the Council members with some information on the election process. The election will be held electronically by the company LUMI. All nominations have been checked for eligibility beforehand. Both genders must be represented by at least two. In all cases, the female candidates compose the minority, that is why the first voting rounds will be conducted on the female candidates. To be elected, one must receive in the first voting round the simple majority (50% +1) and in the following rounds the relative majority. In cases where the number of vacancies does not exceed the number of candidates, the vote will be held by acclamation.

Lumi gave a presentation and explanation on how to use the voting platform.

9. Decision re. currently suspended Member Federations

The Secretary General gave the floor to Dr Paul Fischer to report on the situation on the currently suspended Member Federations.

In meeting dated 27 November 2023, the ISSF Council has decided to continue the temporary suspension of ISSF membership of the following federations based on their ongoing non-payment of the ISSF Membership Fees:

- GUY Guyana National Rifle Association
- JAM Jamaica Rifle Association
- TGA Shooting Association of Tonga
- SUR Surinam Shooting Federation
- ISV Virgin Islands Shooting Sports Federation
- ARU Aruba Shooting Association
- CAY Cayman Islands Sport Shooting Association

The ISSF Council further decided that

- a) *If payment of the outstanding amounts has been received by the Council's first meeting in 2023 the Council will review the fulfillment of the Membership requirements and obligations by the respective Member Federation with respect to their Membership status as Full Member.*

and

- b) *If no payment is made by the date of the first Council meeting in 2023, the Council also takes into account the possibility of excluding the relevant Member Federation in accordance with Article 3.15 ISSF Constitution.*

Shortly after the meeting dated 27 November 2023, the Shooting Association of Tonga fully paid its outstanding Membership Fees. It is therefore subject to the review under decision a) above. According to Article 3.11.2 ISSF Constitution it is the obligations of Full Members “to take part with its athletes in at least two ISSF competitions per year, which includes Continental Championships, Continental Games and other international competitions organized by the Continental Confederations.”

The Shooting Association of Tonga did not send an athlete to any ISSF Championship in 2022.

It is therefore proposed that the Shooting Association of Tonga shall have from now on the Status of “Associate Member” within the ISSF. At the same time, the Shooting Association of Tonga should be reminded about its member obligations as Associate Member under Article 3.10 ISSF Constitution.

In accordance with Article 3.15.2 ISSF Constitution, the following federations were invited to provide ISSF with its position on the potential exclusion by 23 January 2023 at the latest:

- GUY Guyana National Rifle Association
- JAM Jamaica Rifle Association
- SUR Surinam Shooting Federation
- ISV Virgin Islands Shooting Sports Federation
- ARU Aruba Shooting Association
- CAY Cayman Islands Sport Shooting Association

By this deadline, the following federations answered back as follows:

- **Virgin Islands Shooting Sports Federation**

Explained that it does not have any active athletes.

- **Guyana National Rifle Association**

Also answered that it does not have any active athletes. The ISSF HQ reminded them about the outstanding payments.

- **Cayman Islands Sport Shooting Association**

The Cayman Islands Sport Shooting Association answered back and asked for indication of the outstanding membership fees.

On 20 January 2023, the Cayman Islands Sport Shooting Association sent to the ISSF headquarters proof of payment of the outstanding Membership Fees.

The Cayman Islands Sport Shooting Association did not send an athlete to any ISSF Championship in 2022.

It is therefore proposed to take the same approach with the Cayman Islands Sport Shooting Association as with the Shooting Association of Tonga (see above).

Pursuant to Article 3.14.3 ISSF Constitution the Council is competent to decide whether or not the Member Federation should be excluded, or the suspension lifted or continued.

Against this background, it is proposed that the Council takes the following decisions:

The Shooting Association of Tonga and the Cayman Islands Sport Shooting Association shall have from now on the Status of “Associate Member” within the ISSF and be reminded on its obligations under Article 3.10 ISSF Constitution.

- a) The suspension of the Virgin Islands Shooting Sports Federation and the Guyana National Rifle Association shall be continued.

b) The following federations shall be excluded from ISSF Membership:

- JAM Jamaica Rifle Association
- SUR Surinam Shooting Federation
- ARU Aruba Shooting Association

Decision:

To grant the Shooting Association of Tonga and the Cayman Islands Sport Shooting Association the status of Associate Member

To continue the suspension of the Virgin Islands Shooting Sports Federation and the Guyana National Rifle Association.

To exclude the Jamaica Rifle Association, Surinam Shooting Federation and Aruba Shooting Association from ISSF Membership.

10. Report regarding the update of the ISSF Rule Book 2023

The Secretary General informed the members that a draft of the Rule book is currently on the ISSF Website to give the various stakeholders the possibility to send comments. The respective committees should finalize their work by mid-March and the final version will be presented to the Executive Committee in a few weeks' time.

This 2023 version of the Rule book will be applied until at least the Olympic Games Paris 2024.

11. IOC Information about change of Finals

The Secretary General announced that the IOC is open for discussions to go back to the previous finals format.

Mr Cassio Rippel thanked the Secretary General on behalf of the Athletes Committee for his openness and collaboration.

12. List of TDs and Jury Members for the Paris OG

The Secretary General explained that the Technical Delegates for the upcoming ISSF Competitions have already been approved and it is just mentioned here for information. The list of Technical Delegates is attached as **Annex 2**.

The Technical Delegates for the next Olympic Games in Paris 2024 have also already been confirmed: Mrs Rosane Batista Ramos for Rifle/Pistol and Mr Mohamed Wahdan for Shotgun. As soon as the Jury List for Paris 2024 is approved by the IOC, it will be distributed.

13. Miscellaneous

The Secretary General asked if anyone would like to raise a point.

Mr Carlos Silva stated that it was discussed to reduce the number of competition days and have only the Olympic events on the program. He asked when this decision will come into effect. The Secretary General explained that decision was taken in December, but it will be implemented after the WC Jakarta. The first World Cup with the reduced program will be Cairo.

Mr John Hansen thanked the new leadership and hoped the Chairmen are satisfied with the outcome of the election of the committee members.

14. Next meeting

The date and place of the next meeting is not decided yet. The members will be informed in due time.

The President and Secretary General thanked the Council members for their time and collaboration and wished a Happy Chinese New Year.
