Why VR EXPERIENCE ?

- An opportunity to enter the **digital world** and **raise awareness** about Shooting Sports
- A **fascinating technology** to be immersed into the ISSF world
- A virtual activity that can be preparatory to the **real introduction to Shooting**
- A tool that can **bring new generations** and **newcomers** closer to the Shooting Facilities
- An inclusive way for **approaching people with different abilities**
- An experience that can make Shooting Facilities more attractive for **Team-building activities & Corporate events**
- A possibility of **taking part in fairs, exhibitions** and **Sport days** in schools
