informacionfat@gmail.com

- 2nd step
Upon arriving in our country through Aeroparque Jorge Newbery, Ezeiza airport terminal, or Buquebus Terminal, to check-in, the athlete must present their firearms and ammunition and documentation to the appropriate authorities for final clearance.

Athletes under 18

According to the Federal Law of Mercosur and in Argentina by Law National of Arms and Explosives No. 20.429, athletes up to 18 years old must have the corresponding authorization form completed and provide the appropriate documentation to be eligible to compete.

This authorization is obtained through a Mandatory Judicial Permit, which requires a special procedure. The procedure for the participation of minors in competitions requires the following documentation:

- Authorization form signed by the athlete's parent or legal guardian, expressly stating the name of the authorized person to accompany and be entirely responsible for the minor during the competition.
- Copy of the ID or passport of the athlete containing their photo and the name of their parents or legal guardian.
- Copy of the ID or passport of the parents or legal guardians of the athlete who signed the authorization form.
- Copy of the passport or ID of the person indicated in the authorization form to be responsible for the athlete during the competition.
- Medical certificate.
- School enrollment declaration.

The lack of documentation or proper procedure to obtain the authorization of the minor may force the athlete to leave the competition due to on-site inspection by the relevant authority or even cause the cancellation of the competition, so the Organizing Committee will not allow the participation of a minor athlete who does not meet these requirements.

We kindly request that the federation inform the Organizing Committee in advance of the participation of a minor athlete to obtain guidance on legal procedures.
